

Announcement of FUJIFILM New Distributor

Dear Important Customers,

Thank you very much for using FUJIFILM equipment in your facility.
We are pleased to announce our positive change in Brazil for you.

Now, we would like to officially inform that FUJIFILM decided to assign "Labor-Med Aparelhagem de Precisão Ltda"(=Labor-Med) as our only authorized distributor for the endoscopy business in the states of Sao Paulo, Parana, Rio Grande do Sul and Santa Catarina.

Labor-Med has already successfully been managing in all the rest of states more than 25 years , and now they are bringing their professionalism to the whole Brazil.

We recognize there has been confusion during this transition between the previous distributor and Labor-Med, and we would like to sincerely apologize about any inconveniences you may have experienced.

We are doing our best to work with Labor-Med to resolve these inconveniences as soon as possible. Not only will we continue our positive relation with you, but also we will now be able to provide better service for you.

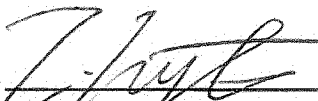

If you need any assistance, please do not hesitate to contact Labor-Med anytime.
